SUPPLEMENTARY INFORMATION:

A. Purpose

Supplies and services acquired under Government contracts must conform to the contract's quality and quantity requirements. FAR Part 46 prescribes inspection, acceptance, warranty, and other measures associated with quality requirements. Standard clauses related to inspection require the contractor to provide and maintain an inspection system that is acceptable to the Government; gives the Government the right to make inspections and test while work is in process; and requires the contractor to keep complete, and make available to the Government, records of its inspection work.

B. Annual Reporting Burden

Respondents: 138,292.

Responses Per Respondent: 1.03226.

Total Responses: 142,753.

Hours Per Response: .83511.

Total Burden hours: 119,214.

C. Public Comments

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FAR, and whether it will

have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

OBTAINING COPIES OF PROPOSALS: Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street, NW, Washington, DC 20405, telephone 202-501-4755. Please cite OMB Control No. 9000-0077, Quality Assurance Requirements, in all correspondence.
